Every Part of You: Tempts Me (#1) Megan Hart

A sizzling new erotic E Serial from New York Times Bestseller Megan Hart.

She likes to watch. He likes to keep hidden. Total opposites on a collision course to a relationship neither can deny.

Simone Kahan's been watching Elliott Anderson through her office window for months. He likes to bring women back to his office for late-night trysts, and Simone enjoys her voyeurism until one night, Elliott appears to go too far with his date. The other woman might not be into spanking, but Simone is, and when she meets Elliott in the elevator later that night, she makes sure he's intrigued enough by her to ask her to go with him to the party he no longer has a date for.

Thrown together by circumstances he'd never have imagined, Elliott isn't sure what to think about Simone. She's nothing like the women he normally dates, but something about her draws him in until he can't stop himself from wanting her...until their goodnight kiss becomes something harder. Harsher. Simone responds to his rough hands as no woman ever has, and Elliott's not ready to pursue what he's always told himself is wrong.

Catherine Gober:

As a college student exactly feel bored to be able to reading. If their teacher expected them to go to the library in order to make summary for some book, they are complained. Just small students that has reading's heart and soul or real their pastime. They just do what the professor want, like asked to the library. They go to there but nothing reading critically. Any students feel that reading through is not important, boring along with can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Every Part of You: Tempts Me (#1) can make you sense more interested to read.
