## **FORBIDDEN, Part 2 of 2** Adrienne Brooks

Drusilla has been on the run for far too long. Clay has been keeping secrets and if anyone knows how dangerous those can be, it's Dru. Leaving Clay behind may seem like a good idea, but there are those who consider her life forfeit, especially without her step-brother around to convince them otherwise.

Unfortunately Drusilla isn't the only one in danger. With three missing children, a psychotic killer, and the syndicate descending into anarchy it's all Dru can do to keep herself from jumping at shadows. It doesn't help that neither she nor Clay can fight the desire rising between them. With enemies at every turn they'll have to trust each other not only with their lives but with their hearts as well.

A task easier said than done.

In the end Dru will realize that in a world full of lies and bloodshed the innocent are used as building blocks and the weak are eradicated without hesitation or mercy. For those willing to get their hands dirty, it really is survival of the fittest and it's going to be up to Drusilla and Clay to pull themselves from the bottom of the proverbial food chain before it's too late.
