**High Temperature: Three Taboo Forbidden ABDL Medical Age Play Diaper Stories** Kimberley Clarke  
Three hot medical play stories about newbies in the ABDL lifestyle. Included in this bundle pack are:

## 1. BEING BRAVE FOR DOCTOR

Suzanne just wants to do a good job.

But working in a doctor's surgery is not exactly the life of glamour she had in mind. Much more interesting to her is the simple fun of playing around in the children's play area.

But one day, her handsome older boss catches her in the act.

Rather than disciplining her, the doctor decides Suzanne looks a bit under the weather, and he sets about caring for her in a way that makes her feel 'newborn' again...

This story contains ageplay/ABDL themes, a grown woman getting cleaned and fed with breast milk, and graphic scenes of a sexual nature. Strictly for adult eyes only!

## 2. DOCTOR ROBB'S FIRST DAY

'Before we go any further, I just want to let you know something. This hospital, is not like any other hospital you've ever been in. We do things differently here, and we have a very particular client base. It's important for you to know that you're not in any danger, and any time you want to leave, you can. We'll pay you a full week's wages for your time, and say our goodbyes, no hard feelings. We'll even write you an excellent reference.'

'Right,' I said, my heart beating hard and my mind racing fast.

'You might have been wondering why an adults only hospital was interested in someone who's been trained as a paediatrician.'

'It had crossed me mind,' I replied.

## 3. DIAPERED BY DOCTOR

Mary loves going to the Doctor. In fact, she loves it so much, it's beginning to become a problem.

When her normal doctor recommend an extra-special practice to help with her 'specific requirements', at first she's skeptical.

Soon though, she's getting exactly the 'treatment' that she needs.

This 4,000 word story contains strong ADBL content. Includes scenes of spanking, pacifier sucking, some sexual content, and a full-grown woman made to wear a diaper by her doctor.
