Luciens Reign: A Novel (DeSai Trilogy) Spawn of Satan R.W.K. Clark

The evil queen Rasia DeSai sat at her desk in her bedroom reading her Book yet again, going over the history of the women who came before her. They were witches, just as she was. They had a dream and a vision for the future of their kind, and she had fulfilled it.

She closed the Book and sat back. She put her hand on her swollen belly and stroked it, feeling an emotion that was the closest thing to love she was capable of without the presence of her husband. She would bear the child of Cyril DeSai, and this child would be the true ruler of the world for all ages to come.

In this gripping witch series, Satan Lucifer is real.

Rasia would live forever, yes, she was the vampire queen and she would bear the only offspring that was spawned between a true witch and a vampire. In the world that existed before he would have been considered a child prodigy. But Rasia knew the truth; her son Lucien was nothing less than a spawn of hell. This devil king, whatever purpose he had been born to fulfill required his superior intelligence. She knew right away that the boy would rule over her. His name was to be Lucien.

Satan is real.
