Poesía mística para el alma (Spanish Edition) Rolando Polanco Santana

Poesía Mística para el Alma es un libro para soñar despiertos, es el encuentro que se eleva en lo trascendental del ser persona. Cuando el alma se expresa siempre lo hará en poesía. Este libro es fruto de un amor vivencial e intenso donde lo femenino y lo masculino se fusionan en un abrazo místico. Nos transmite además, un discurso nuevo y una forma de amar diferente, más allá de la dualidad, propuesta liberadora de aquellos paradigmas que han convertido la palabra "amor" en esos eternos dramas creados donde la separación y la pertenencia juegan un papel primordial. No hemos venido a sufrir por amores imposibles, sino a desentrañar aquello que nos une eternamente. Amar es liberación, expansión de conciencia y nunca opresión o agobio. El amor no conduce al dolor, ni pretende poseer para ser amado. Es el acuerdo espontáneo que fluye en esa divinidad repartida por todo el universo, estableciendo así la curación del ser y la apertura hacia ese otro donde nos encontraremos por eternidades, ciclo que se repetirá para volver a empezar.
