A standalone sensual romance story with a happy ever after ending!

Teri Baxter was a girl who had it all. She was almost finished with college, had a boyfriend and shared an apartment with her best friend...then everything changed. Recently single and moving from her apartment, she finds herself staying in her mother's guesthouse with her handsome stepbrother, Carter. Carter is a super-rich playboy who happens to be selling his home at the same time she also needs to use the guesthouse so the two of them become roommates once again, the first time since they were teenagers. Carter's raucous lovemaking and wild lifestyle soon start to cramp Teri's style and he takes notice of her rigid temperament and decides to take his uptight sister out for a night on the town. Seeing her recent ex-boyfriend getting cozy with another woman at the club sends Teri's mind spinning but Carter knows just how to get under the cheater's skin. One seemingly helpful move turns into a night that sends the relationship between the two into a whirlwind and Teri can't help but be swept away by her overly confident stepbrother. Things get heated when her mother decides that the whole family go will go on a vacation together and Teri must try and maintain her sisterly façade with the man who has recently given her so much pleasure. Can she maintain her innocent charade for the sake of her mother or will her desire for him give her away? Are things like they seem with the Baxter-Cole clan or do feelings run much deeper than they appear on the outside?
