## **Taller para padres (Spanish Edition)** Ana V. Morales Tapia

La obra se caracteriza por ser una guía práctica y sencilla, la cual no requiere conocimientos previos o especializados y que explica paso a paso el proceso de ser padre o madre, la complejidad que representa, los grandes retos que deberán enfrentar aquellos que así lo decidan, así como la diversidad de cambios que enfrentarán en un futuro, a partir de las condiciones de la sociedad. Esta obra servirá como orientación básica, bajo la perspectiva técnica y profesional, tanto para aquellos que deseen ser padres, como para aquellos que ya lo son, y que desean hacer ajustes en la crianza, considerando un rango de desarrollo desde la planeación, el nacimiento hasta una etapa adulta temprana. Por otro lado, si bien es cierto que no será la panacea o la verdad absoluta, posee una propuesta práctica, con plena intención de dar claridad a través de recomendaciones básicas y vigentes a nuestra realidad; finalmente con una redacción ligera, que permitirá al lector generar su propia opinión, a partir del autoanálisis y la reflexión; tomar la decisión de darle la relevancia al hecho de ser padres, mismo que se basa en prácticas terapéuticas de tipo breve, con experiencias extraídas de casos reales y apegados a un enfoque latinoamericano."
