**Truisms - mostly. Volume II. Reflections on life, living, and relationships.** Cariappa Annaiah

This is the second volume of short poems by the artist and poet, Cariappa Annaiah, mostly about the truisms of life and relationships. An excerpt from the introduction, "The poems touch upon topics that range from the profound to the seemingly ordinary and, yes, even the risqué. They are not arranged in any order, reflecting the arbitrary appearance of truisms in real life. The ideal way to enjoy these volumes is to read a single poem at random and then stop, to reflect on the truism and its impact on your life."
