#### Nancy Steffen:

As a student exactly feel bored to reading. If their teacher questioned them to go to the library in order to make summary for some guide, they are complained. Just very little students that has reading's internal or real their leisure activity. They just do what the teacher want, like asked to the library. They go to there but nothing reading seriously. Any students feel that looking at is not important, boring along with can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this A book of the country and the garden .. can make you really feel more interested to read.
