This book was created by Flopsy Hopsy Bunny my best friend and I'm hers. She wants everyone to know she's looking out for everyone. This book is the inspiring story of a beautiful and kind hearted Holland Lop and her love of the people. Inside this book are secrets that no man ever knew and it tells the story of all mankind as I know it. Everything that I know everything in my mind is here written by God and Flopsy to tell the true story as it really was. I am not religious but I always believed in a better life. Flopsy is doing all of this and Flopsy goes out into the world and fights for everyone who can't defend themselves. A lot of man's history is not told here because I don't understand it and for that I'm sorry but what is inside this book is extremely important.
