## **In The Company of Evil Men: The Affair** Pete Polara

Best friends forever, Lana and Ashley have made their way by plying their seductive prowess until their François Caper goes terribly wrong forcing them into hiding. Now, two-years later, restless to escape their contrived routines in the rustic backwoods of Georgia, Lana sets her sights on Jonathan Blanks—a debonair international attorney she believes will fall easily into their game of love, marriage and infidelity. Once they meet the affable Jonathan, though, and hear the taciturn remarks of the people around him, Lana realizes his treacherous heart will require more than just their sensuous dexterity. However, before they're able to move on, they're approached by a member of his inner circle, Bryce Holcombe, who offers them a generous share of his wife's fortune if they help him find where her father has hidden it, and then make his wife disappear. Despite Ashley's apprehension to trust an outsider, Lana agrees to go along with Bryce's scheme. With their well-honed charm, Lana and Ashley infiltrate Paige's lair to begin unraveling the reclusive heiress's regimented existence only to discover within the layers of her dark past a larger web of international intrigue led by none other than Jonathan, thus, complicating their endgame when they learn that his interest in Bryce's grand plot goes beyond simply gaining control of Paige's fortune.
