Jules Verne

Le village aerien (French Edition) Jules Verne

L'action se déroule dans la jungle africaine. De manière ludique, le roman est l'occasion de s'interroger sur le fameux « chaînon manquant » entre le grand singe et l'être humain, le débat étant à l'époque brûlant depuis la parution des travaux de Darwin. Au premier degré, il s'agit d'un roman joyeux, égrenant pas mal de morceaux de bravoure, tels des attaques d'éléphants, de rhinocéros et de phacochères.
