Legal and Ethical Dimensions for Mental Health Professionals Patrick B. Malley, Eileen Petty Deklewa
The legal system's impact and influence on the mental health profession has never been greater. Whether as a witness, plaintiff, or defendant, it is likely that a professional will have some kind of interaction with the law at least once in his/her career. More than ever, it is essential that psychologists, social workers, and counselors have a working knowledge of the legal and ethical mandates to which they will be held accountable.

Legal and Ethical Dimensions for Mental Health Professionals is a complete guide to the law and ethics as they relate to clinical practice. These issues can often be very confusing as values and rules change based on clients and context. For example, a school counselor who works with children is bound by different rules of confidentiality than a psychologist who counsels adults. To simplify such issues, the authors divide information into the legal and ethical rules appropriate for various types of clients in a number of settings.

The book opens with an explanation of the history of law related to mental health professionals, including a description of how and why laws related to clinicians are enacted. It then focuses on the therapist-client relationship and examines the many points at which legal and ethical considerations intersect with the practice of therapy.

This comprehensive look at the standards of law and ethics is essential reading for not only graduate and doctoral level students in the mental health fields, but also practicing professionals.

From reader reviews:

Graciela Cook:

The book Legal and Ethical Dimensions for Mental Health Professionals can give more knowledge and information about everything you want. Exactly why must we leave a very important thing like a book Legal and Ethical Dimensions for Mental Health Professionals? A few of you have a different opinion about reserve. But one aim in which book can give many information for us. It is absolutely right. Right now, try to closer using your book. Knowledge or information that you take for that, you may give for each other; you are able to share all of these. Book Legal and Ethical Dimensions for Mental Health Professionals has simple shape however, you know: it has great and large function for you. You can appearance the enormous world by start and read a guide. So it is very wonderful.

Harley Fabry:

As people who live in typically the modest era should be revise about what going on or details even knowledge to make these individuals keep up with the era which can be always change and make progress. Some of you maybe will update themselves by examining books. It is a good choice to suit your needs but the problems coming to you is you don't know what kind you should start with. This Legal and Ethical Dimensions for Mental Health Professionals is our recommendation to make you keep up with the world. Why, as this book serves what you want and wish in this era.

Mark Gibson:

As a student exactly feel bored to reading. If their teacher requested them to go to the library in order to make summary for some guide, they are complained. Just minor students that has reading's spirit or real their interest. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that reading through is not important, boring as well as can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Legal and Ethical Dimensions for Mental Health Professionals can make you feel more interested to read.

Joaquin Bedard:

Reading a publication make you to get more knowledge from this. You can take knowledge and information from a book. Book is written or printed or created from each source that filled update of news. With this modern era like currently, many ways to get information are available for anyone. From media social just like newspaper, magazines, science book, encyclopedia, reference book, book and comic. You can add your knowledge by that book. Isn't it time to spend your spare time to spread out your book? Or just searching for the Legal and Ethical Dimensions for Mental Health Professionals when you required it?
