## **Shelter Us: A Novel** Laura Nicole Diamond

Gorgeously written and deeply felt, this heartrending, ultimately hopeful narrative about motherhood, loss, and the meaning of life becomes a true page-turner. Lawyer turned stay-at-home-mom Sarah Shaw is struggling to be present for her two young sons and law professor husband, three years after the death of their infant daughter. Then one day, walking in L.A., Sarah's heart catches at the sight of a young homeless mother and toddler, and saving them becomes her secret, obsessive mission. When tragedy threatens them, Sarah discovers she is capable of deceptions and transgressions she never imagined. Her lies unleash a downward spiral that will threaten her marriage, family, and her sanity. *Shelter Us* speaks to the quiet joys and anxieties of parenthood, and illuminates the shadowy space between unconditional love and fear of unbearable loss.
