Gaming offers a great way to reach teens. This book gives library staff the tools to deliver game programming that goes beyond the basic video and board game format.

- Covers a wide range of popular games, including live action role-playing (LARP), table-top games, PC games, and big games
- Supplies ideas for implementing novel summer reading programs through games
- Includes lists of games that are specifically applicable and other tools, such as game websites, resources for further reading, videos to watch, and specialist game communities that can provide help
