Tom Lehrer

The Tom Lehrer Songbook Tom Lehrer

Rear dust jacket notes: "Who is Tom Lehrer? (Or what is Tom Lehrer, as some people put it.) He is a Phi Beta Kappa, magna cum laude M.A. from Harvard University. Also a research mathematician for industry and national defense. When located and identified conclusively as 'that' Tom Lehrer, he confessed that the material in this book 'was never intended, at the time of composition, for the public. In my world all the lovable folk are just a little bit depraved.' It's amazing how many fans Tom Lehrer has (all, no doubt, slightly depraved). His record of this book is a hit. He played at The Blue Angel, is on demand for TV, clubs, etc. 'His perky songs and engaging delivery of them are something of a legend....He may be classified as a wandering minstrel with no place to wander....A sharp edge of satire.' -Irving Kolodin, Music Editor, The Saturday Review"
