**Alice: Queen of Hearts - An Alice in Wonderland Novel (Lost in Wonderland)** Hayley Paige

Just one moment, as the leaves turned from green to red and the breeze carried on its back the cool embrace of Autumn, set in motion a life-changing spiralling effect... As Alice is drawn down the path paved for her by Red-Lord Overseer, Wonderland's King of Hearts-her world begins to twist and change. The tranquillity of a simple life is left behind as she chooses to fall; a descent that seems never-ending but which takes her that little bit closer to the only real love she has ever known-and the life she has dared to dream. But in Wonderland, nothing is as it seems. As the earth tilts on its axis and Alice's perspective becomes distorted and dizzying, she must consider sacrificing everything she has ever known and face the Queen of Hearts with one objective: dethrone her. If she succeeds, the King of Hearts awaits. But if she fails, Alice could find herself lost in a world where everything is nonsense.
