Living Out Loud is a message from the muse, and the message is a simple one: Abandon all worlds except the one to which you belong. When you find it, indulge it. Celebrate it. Become it. Love your dreams. Laugh your joy. And if you're gonna live, live out loud. Living Out Loud, a project newly sprung from Muse Headquarters, offers a full year of juicy word-pictures to ignite joyful living. Living Out Loud, a fabulous collaboration of color, design and inspiration, is also a collaboration between husband and wife, Angi Sullins and Silas Toball. They live and dream and occasionally howl with their Chihuahuas in Taos, New Mexico. And they're not at all quiet about it. Angi is the creator of Message from the Muse, an online inspiration portal dedicated to artists, visionaries and waking dreamers, and is president, founder and resident muse of Duirwaigh, Inc., a multimedia entertainment group. Angi and Silas are also the creators of the Knock At The Door book and calendar.
