Hearts of Ice: A BWWM Pregnancy Sports Romance

Kiana Douglas is the definition of a strong, independent woman. She's not the type to let a guy take over her whole world. After a fight with her most recent ex, Kiana has made a vow to herself to stay single for a while and live for herself. A little brother-sister weekend changes all that when Kiana's brother, Chris, has tickets to a pricey hockey game. Chris is a sports reporter and needs to get in an interview with one of hockey's most famous stars--Dominik Chicosky. There's just one minor problem: Dominik won't agree to do the interview unless Kiana will go on a date with him. Even though Dominik is a known player, Kiana agrees, thinking that she has nothing to lose. The night doesn't quite go as expected, and the results of one date with a hockey star bad-boy will change her life, and his, forever. Will these cold-hearted people find love with

each other, or will their icy temperaments get the better of them?
