Nonprofit organizations' boards are justifiably passionate about their causes and eager to help their organizations. However, in today's increasingly regulated climate, board members, who come from diverse backgrounds and may have little financial expertise, can feel overwhelmed by the regulations that are their duty to follow.

The Best of Boards: Sound Governance and Leadership for Nonprofit Organizations provides not-for-profit board members and financial managers with the essential fiduciary knowledge and indispensable leadership guidance that they need to meet the challenges of the current not-for-profit environment. This book contains:

- Financial and ethical guidance for real-life situations
- Practical leadership advice for novice and experienced board members
- Assistance for not-for-profit managers tasked with governance challenges
- Tools, checklists, and templates based on common sense management techniques

This publication will build ethically sound management knowledge in not-for-profit board members so that they can ensure the compliance and, ultimately, the success of their organization.
